

The Path to Universal Peace

Bahá'ís believe that world peace is not only possible but inevitable.

“The Great Peace towards which people of goodwill throughout the centuries have inclined their hearts, of which seers and poets for countless generations have expressed their vision, and for which from age to age the sacred scriptures of mankind have constantly held the promise, is now at long last within the reach of the nations.”

Please join us for three Sunday afternoon sessions exploring Bahá'í perspectives on universal peace - “the supreme goal of all mankind”. All welcome.
